## **DETAILED ACTION**

## Allowable Subject Matter

- 1. Claims 1-36 are allowed.
- 2. The following is an examiner's statement of reasons for allowance:

Referring to claim 1: The evidence and document for the rejection on the record do not explicitly disclose the claimed driver for controlling the device I/O operations, wherein the driver is managing the I/O operations based on the preset device policy.

Referring to claims 2-13: Claims are allowable because they incorporate the parent claim's allowable subject matter.

Referring to claim 14: The evidence and document for the rejection on the record do not explicitly disclose the claimed driver for controlling the device I/O operations, wherein the driver is managing the I/O operations based on the preset device policy.

Referring to claims 15-28: Claims are allowable because they incorporate the parent claim's allowable subject matter.

Referring to claim 29: The evidence and document for the rejection on the record do not explicitly disclose the claimed driver for controlling the device I/O operations, wherein the driver is managing the I/O operations based on the preset device policy.

Referring to claims 30-36: Claims are allowable because they incorporate the parent claim's allowable subject matter.
